----- NOTES -----

(1) For statutory provisions allowing cities to regulate all public ways, streets and public places within their jurisdiction, see Idaho Code 50-313 and 50-314. For statutory provisions allowing cities to enact ordinances to provide additional rules and regulations over and above the state regulations, see Idaho Code 49-202. For provisions specifying specific areas in which cities have jurisdiction to regulate, see Idaho Code 49-529.
