Other uses deemed similar by the City to the uses above may be considered under a Conditional Use application.

#### **17.24.040 Height regulations.**

Any building or structure or portion thereof hereafter erected which is not of an agricultural nature shall not exceed three and one-half stories, or thirty-five feet in height unless a greater height is approved by conditional use permit.

#### **17.24.050 Setback requirements.**

The following are setback requirements for the AT zone:

- A. Minimum lot width - 100' at the building line.
- B. Front Yard. No building or structure shall be erected nearer than fifty (50) feet from the right-of-way line of the street.
- C. Side Yard. No building shall be erected closer than twenty (20) feet to any side property line, except corner lots shall maintain a thirty (30) foot side yard adjacent to the street which intersects the street upon which the building fronts.

D. Rear Yard. There shall be a rear yard having a depth of not less than twenty-five feet.

**17.24.060 Area requirements.**

The minimum lot area shall be five (5) acres.

**17.24.070 Accessory uses.**

Accessory uses are permitted including the use of motor vehicle cargo containers or other containers normally used for the shipment of freight, cargo or other items, by rail, ship or motor vehicular transportation. All containers shall require an approved conditional use permit. Placement location of containers shall meet all the requirements of Section 17.24.050 and shall only be placed one unit high, at ground level on a concrete, gravel or similar foundation. Stacking of containers is prohibited. Containers can become a visual blight upon the city and adjacent residential areas. Means for reasonable visual occlusion from public view, through positioning or other coverage, shall be required to be provided and maintained for the duration of the placement of the container and shall be included in the application submission.
