

Special Meeting – Airport  
July 22, 2028

In attendance: Mayor Parsons, Council members Tessmer, Reese, McCurdy and Darland. Deputy Clerk Smith, Clerk Jensen, Tony Chisham, and John Muffett.

Meeting called to order at 6:38pm.

John Muffett – received word from the FAA that all funds for the airport master plan are now available, meaning the whole project can be completed instead of breaking it into different phases. Total for the whole project is \$4.45 million. The match funds required from both County and City still remain 1.25% but because the whole dollar amount has gone up, so have the match funds required. The city and county will each be responsible for \$56,000.

Project is set to start in June of 2026 and completed in about 3 months (late summer early fall). Match funds will be due at the time of completion.

Councilwoman Reese made a motion to approve the add'l match funds. Councilman McCurdy 2<sup>nd</sup>. Motion carried.

Meeting was adjourned at 6:52pm.
