8.04.010 Applicability—Exceptions.

This chapter applies to all explosives except small arms ammunition and pyrotechnic devices.

8.04.020 Manufacture and storage prohibited—Permit required for transport.

The manufacture or storage of explosives within the limits of the municipality is prohibited. A permit shall be obtained from the clerk to transport any explosives in or through the municipality.

8.04.030 Transport requirements.

It is unlawful for any person in charge of a vehicle containing explosives to smoke in, upon or near such vehicle; to drive, load or unload the vehicle while intoxicated; to drive the vehicle in a careless or reckless manner, or to unload or load such vehicle in a careless or reckless manner.

It is unlawful to operate any vehicle containing explosives on any street in the municipality except in compliance with the following rules:

1. No such vehicle shall be so operated unless it is marked, loaded and equipped in full compliance with all laws of the state relating thereto.
2. No trailer shall be used for the conveyance of explosives in the municipality; but semi-trailers as defined by statute may be so used.
3. No vehicle carrying explosives shall be parked or permitted to stand anywhere in the municipality longer than is necessary to make a lawful delivery; provided, that the standing of such vehicle made necessary by mechanical trouble, traffic conditions, accident or in obedience to the direction of a police officer or traffic signals shall not be considered a violation of this section.
